## INTEGRATE A DOOR INTO YOUR DESIGN....

## USE FLUSH TO WALL DOORS

Rocket ULTRA, a new, unique development in Flush to Wall doors. The Rocket ULTRA is an extruded aluminium framework with 'hooked' edge profiles for plaster retention. Each single frame can be installed as Push or Pull, Left or Right opening so incredible flexibility in design and installation.

### THE HINGES ARE IMPORTANT

Made in the EU to exacting standards, these are quality hinges that can be adjusted in all three axes, height, width and depth for a perfect finish.

# integrate a DOOR into your DESIGN

### DOORS

Our ULTRA Flush to Wall doors are supplied pre routed for the hinges and magnetic latch.

### FD30 FIRE APPROVED

The ULTRA Flush doors are fully tested and approved for 30 minutes fire protection FD30. The approved fire door comes supplied with their own intumescent kit that fits interestingly to the frame and not the door saving time and money.

### MAGNETIC LOCK

All ULTRA systems including the FD30 system are supplied with a magnetic lock and strike plate. This can be specified as a latch, bathroom thumb turn or cylinder lock.

### HINGES

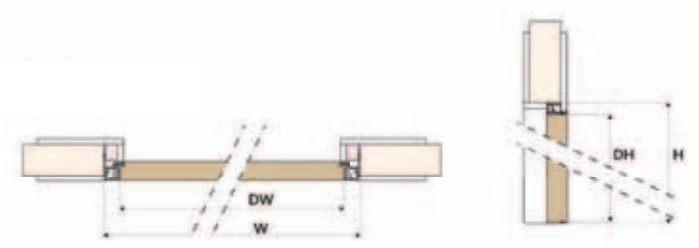

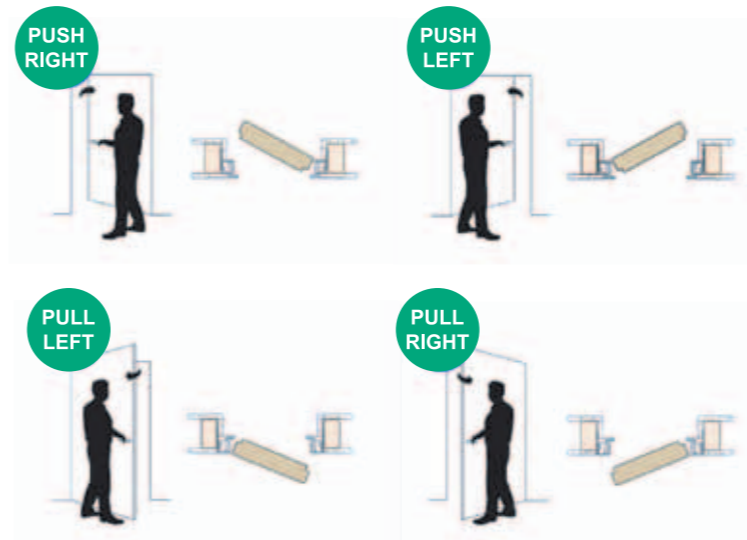

Completely invisible 3 way adjustable hinges for perfect shut lines and a great finish.

### INSTALLATION

Simple with only four screws to assemble the frame and clear concise instructions to make this a very straightforward install.

### CUSTOMER SERVICE

Site visits a pleasure, we also hold complete stock of products and spares avoiding lengthy delays.
